German Democratic Republic

25X1

GDR DISTRIBUTION AND EXPORTS OF POTATOES DURING 1952

Breakdown of figures for potato exports for the third and fourth quarters

Third quarter deliveries:	34,000 tons
Fourth " "	66,000 "
Total	<u>100,000 tons</u>

25X1

Of the total of 100,000 tons scheduled for export, Hungary is to receive 20,000 tons. So far, export permits for 10,000 tons have been issued. The foreign trade people are to be requested to issue the remaining export permits immediately, so that shipments can be completed according to schedule.
